

# ZA 16

禅 <sup>en</sup>awakening

- Soothe those sore, aching muscles!
- Significantly improve your flexibility, mobility, and posture with the stretch function!
- Relax your mind and body with the stress relieving, fatigue reducing benefits of our massage system!

### 3-DIMENSIONAL BACK MASSAGE

- Roller system conforms the shape of the back
- Provides kneading and pressing massage techniques
- Maximum lumbar range of over 30" has a reach from the top of the neck to the tailbone
- Unique massage feature designed to target stress relieving pressure points in the neck

### EXTRA WIDE CAPTAIN'S BACK

- Great for users with broad shoulders
- Maximum comfort with open shoulder design
- Enormous captain chair width of 26"

### SHAPE DETECTION TECHNOLOGY

- Body sensors detect the proper width for the rollers
- Sets a custom width based on position of shoulder blades and spine
- Gives any user a custom tailored massage

### ARM/HAND MASSAGERS

- Ergonomically designed hand and forearm massage system
- 1/2" Nodules that provide a massage roller feel throughout the arms and hands
- Nodules also help get between and solve tough knots that develop in the forearm
- Promotes better circulation, joint health, muscle recovery, and soothes arthritis/carpal tunnel pain

### FOUR HANDS FOOT/LEG MASSAGE AND THIGH AIRBAG MASSAGE

- 3 massage rollers in the soles of each to maximize fatigue recovery and pain relief
- Foot massage rollers may also provide reflexology benefits such as blood circulation, strengthened organs, and better overall health
- Controlled-intensity compression massage in calves and feet to boost muscle recovery
- Unique slipper design to provide massage therapy to the top of the toes and foot as well

### FOOT EXTENSION

- Extend your feet up to 8.5"
- Optimum comfort for users of all heights

### SEAT AND THIGH MASSAGE

- Double sided compression massage airbags on each thigh
- Massaging seat with heat

### Additional Features

- Heat throughout the lower back, seat, and legs
- USB music player allows for noise cancelling relaxation and music sync massage
- Stretch function completely stretches out the back, legs, and feet

### Additional Information

- ETL approved
- Standard 110V outlet
- Limited lifetime warranty
