

ZA 17

禅 ^{en}awakening

- Soothe those sore, aching muscles!
- Significantly improve your flexibility, mobility, and posture with the stretch function!
- Relax your mind and body with the stress relieving, fatigue reducing benefits of our massage system!

UNIQUE HEAD MASSAGE SYSTEM

- Carefully massages and compresses temples, crown and occipital bone
- Provides relief for migraine headaches
- Offers increased relaxation

FOUR HANDS FOOT/LEG MASSAGE

- 3 massage rollers in the soles of the feet to maximize fatigue recovery and pain relief
- Controlled-intensity compression massage in calves and feet to boost muscle recovery
- Airbag massage in the seat to provide compression to thighs and buttocks

ZERO-GRAVITY MASSAGE

- Reclines to a position where the thighs and feet are above the heart that results in weightlessness in the spine/back
- Allows the spine/vertebrae to decompress and recover from the force of gravity
- Benefits include soothing back pain, reducing strain on heart, decreasing muscle tension, enlarging lung capacity, and raising blood oxygen levels/circulation

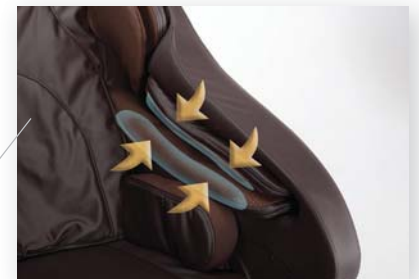

3-DIMENSIONAL BACK MASSAGE

- Flexible roller system conforms the shape and contour of the back
- Provides kneading and pressing massage techniques
- Maximum lumbar range of over 30" has a reach from the top of the neck to the tailbone
- Unique massage feature designed to target stress relieving pressure points in the neck

SHAPE DETECTION TECHNOLOGY

- Body sensors detect the proper width for the rollers
- Sets a custom width based on position of shoulder blades and spine
- Gives any user a custom tailored massage

SHOULDER/ARM/HAND MASSAGERS

- Compression air bag massage from the shoulders to the hands
- Ergonomic design and function for maximum comfort
- Promotes better circulation, joint health, muscle recovery, and soothes arthritis/carpal tunnel pain

FOOT EXTENSION

- Extend your feet up to 11.5"
- Optimum settings for users of all heights

Additional Features

- Heat throughout the lower back, seat, and legs
- USB music player allows for noise cancelling relaxation and music sync massage
- Stretch function completely stretches out the back, legs, and feet
- Programmable timer massage (10-30 minutes)

Additional Information

- ETL approved
- Standard 110V outlet
- Limited lifetime warranty
